

European Chemical Regions **Network**

KICK-OFF MEETING THEMATIC AREA CHEMICALS

ESTABLISHED UNDER SMART
SPECIALIZATION PLATFORM FOR
INDUSTRIAL MODERNIZATION

**PARTICIPANTS PROFILE: PARTNERS
IN THE PLATFORM, POTENTIAL NEW
MEMBERS, INDUSTRY AND EU
REPRESENTATIVES**

This event will kick start the newly established partnership on chemicals under the Smart Specialization Platform for Industrial Modernization. The event will bring together the member regions of the platform (**Lombardy, Limburg, Ústí Region, Mazovia, Catalonia, Wallonia**) and stakeholders interested to join for first exchange of ideas, regional ambitions and possibilities for cross-border cooperation.

Expected result of the event is building engagement of public and private stakeholders, partners and new members, to the aims of the Thematic Area, and mobilising first ideas for joint investments.
