SYNERGIES WITH S3

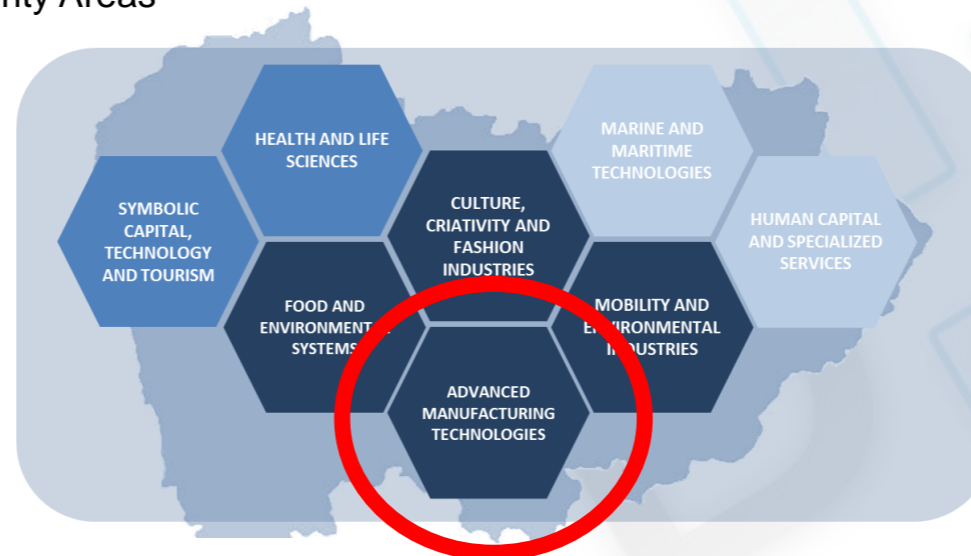

NORTE 2020

RIS3 Priority Areas

CENTRO 2020

RIS3 Innovation Platforms

1. Sustainable Industrial Solutions
2. Valorisation and efficient use of endogenous natural resources
3. Technologies at the service of the quality of living
4. Territorial Innovation

2020
RIS3T Galicia-Região Norte

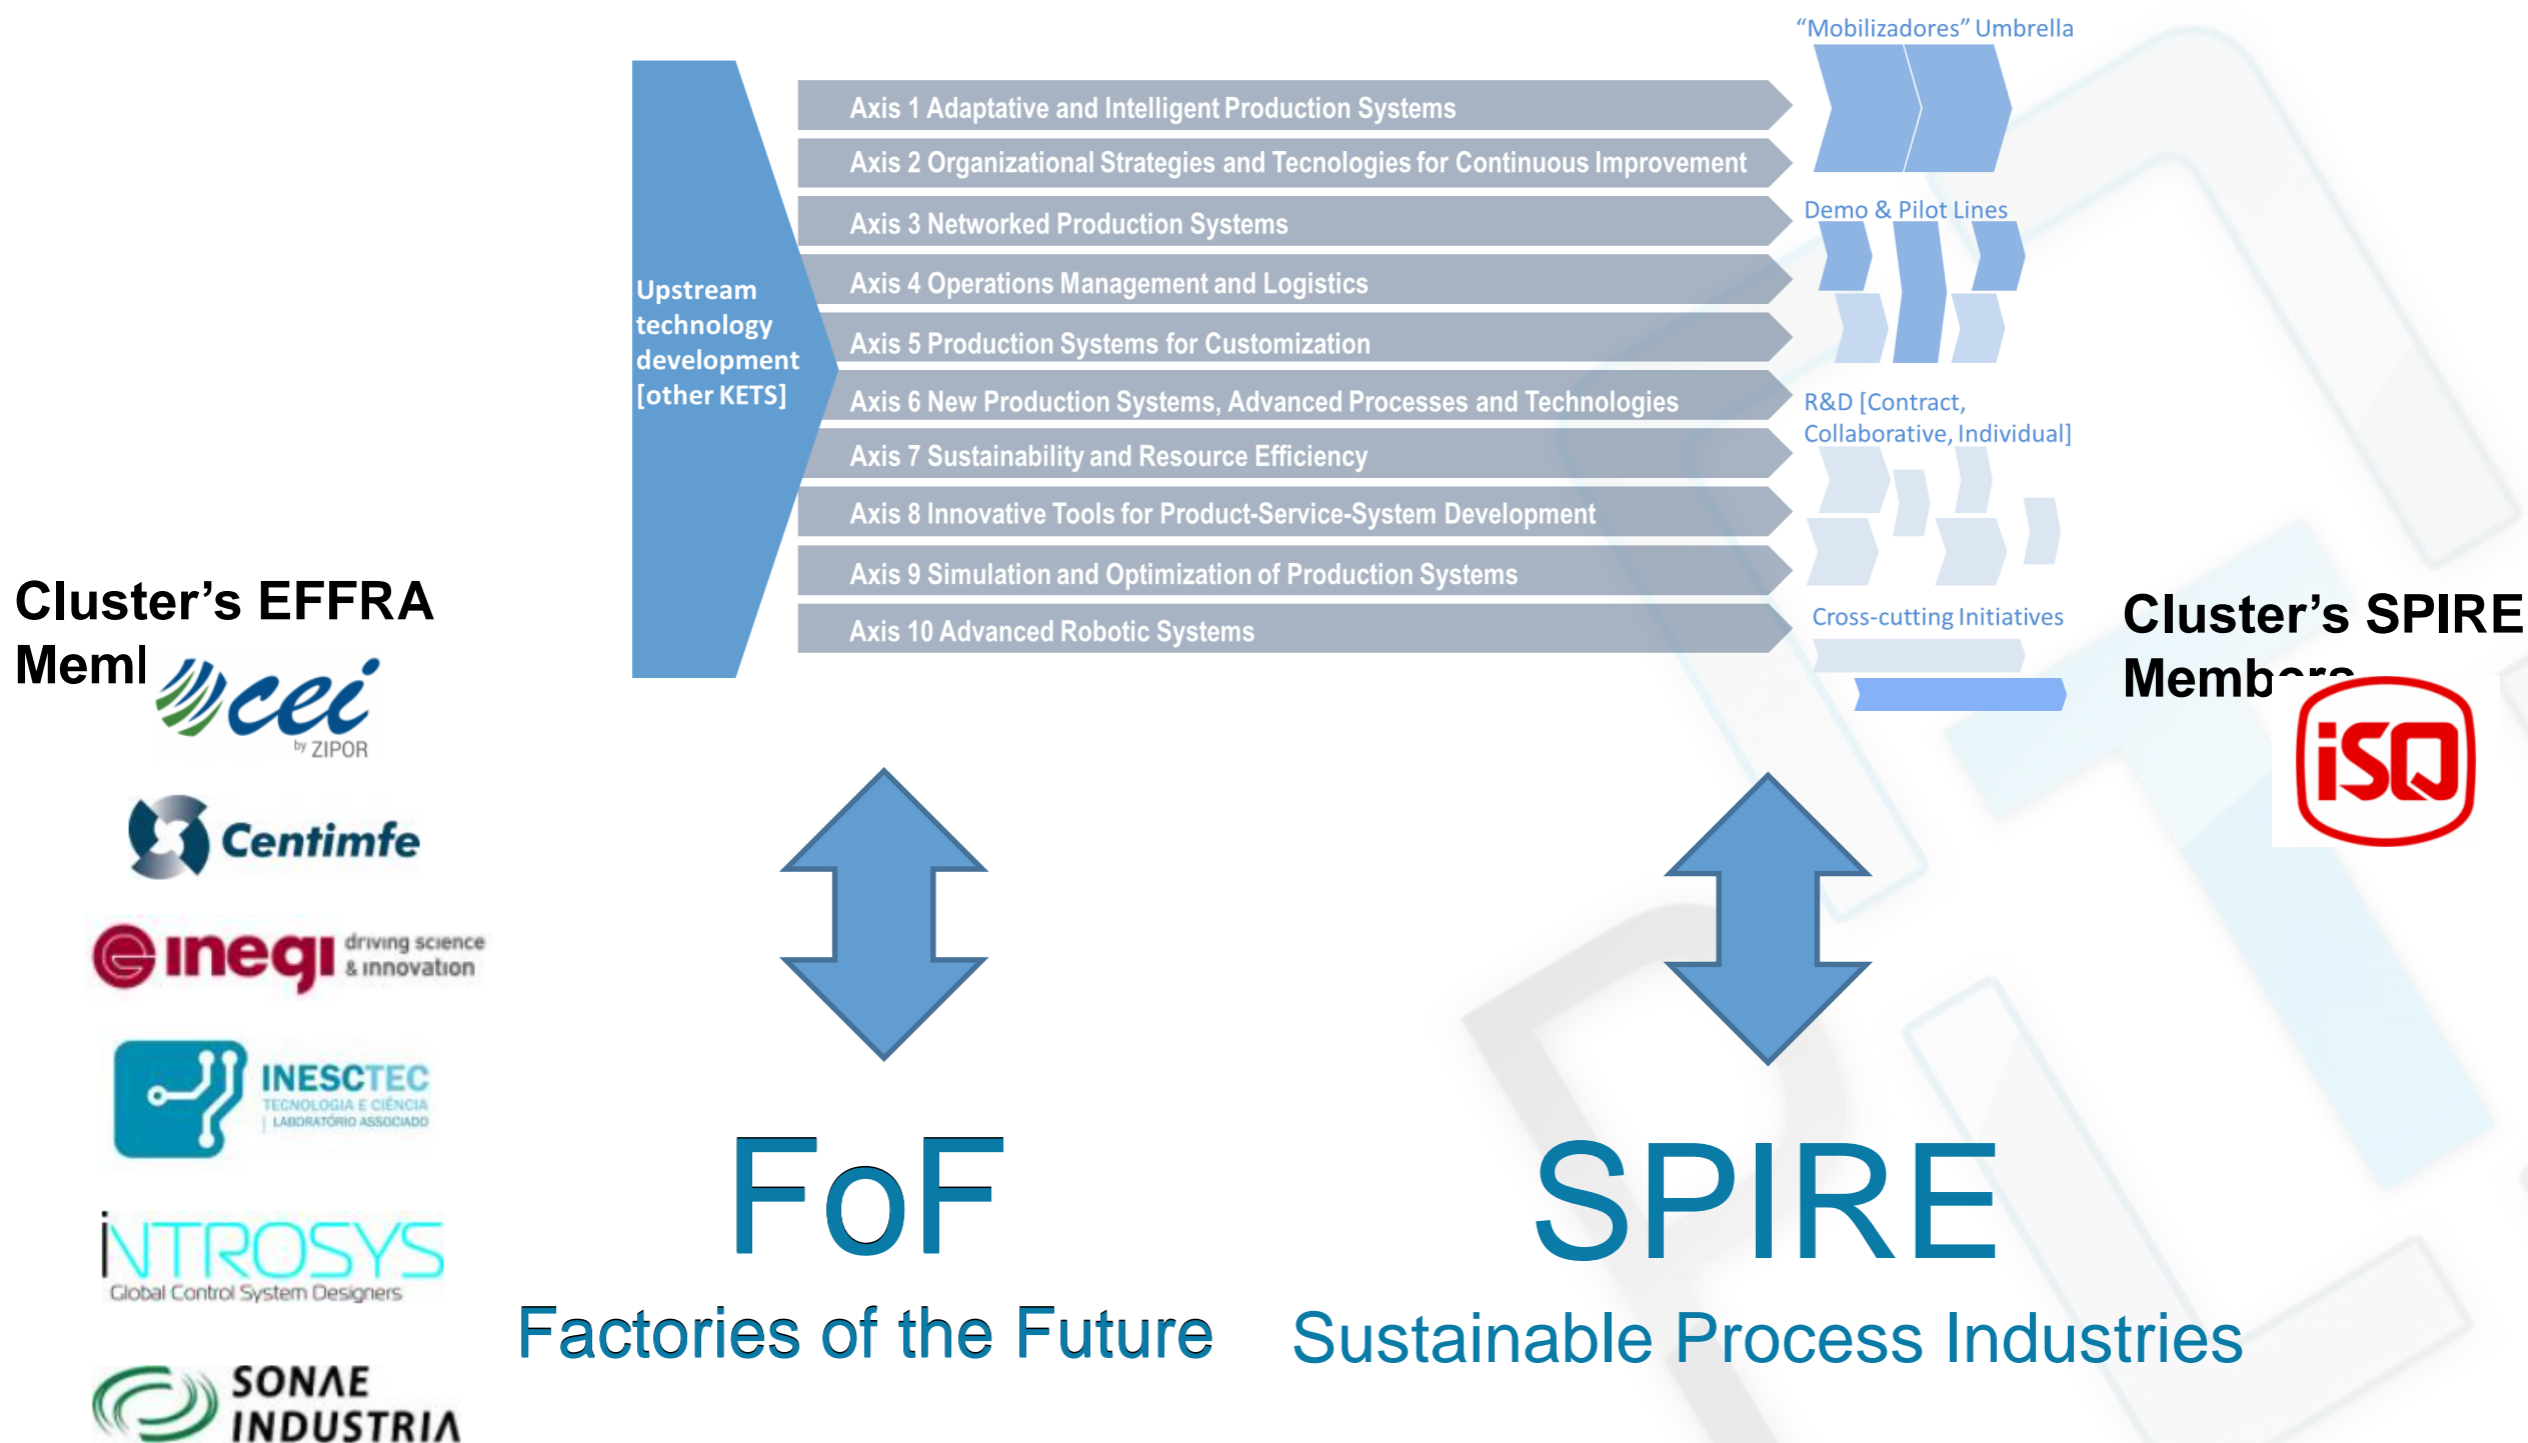

Industry 4.0
Mobility Industries

ENEI
ESTRATÉGIA NACIONAL DE INVESTIGAÇÃO E INOVAÇÃO PARA UMA ESPECIALIZAÇÃO INTELIGENTE 2014-2020

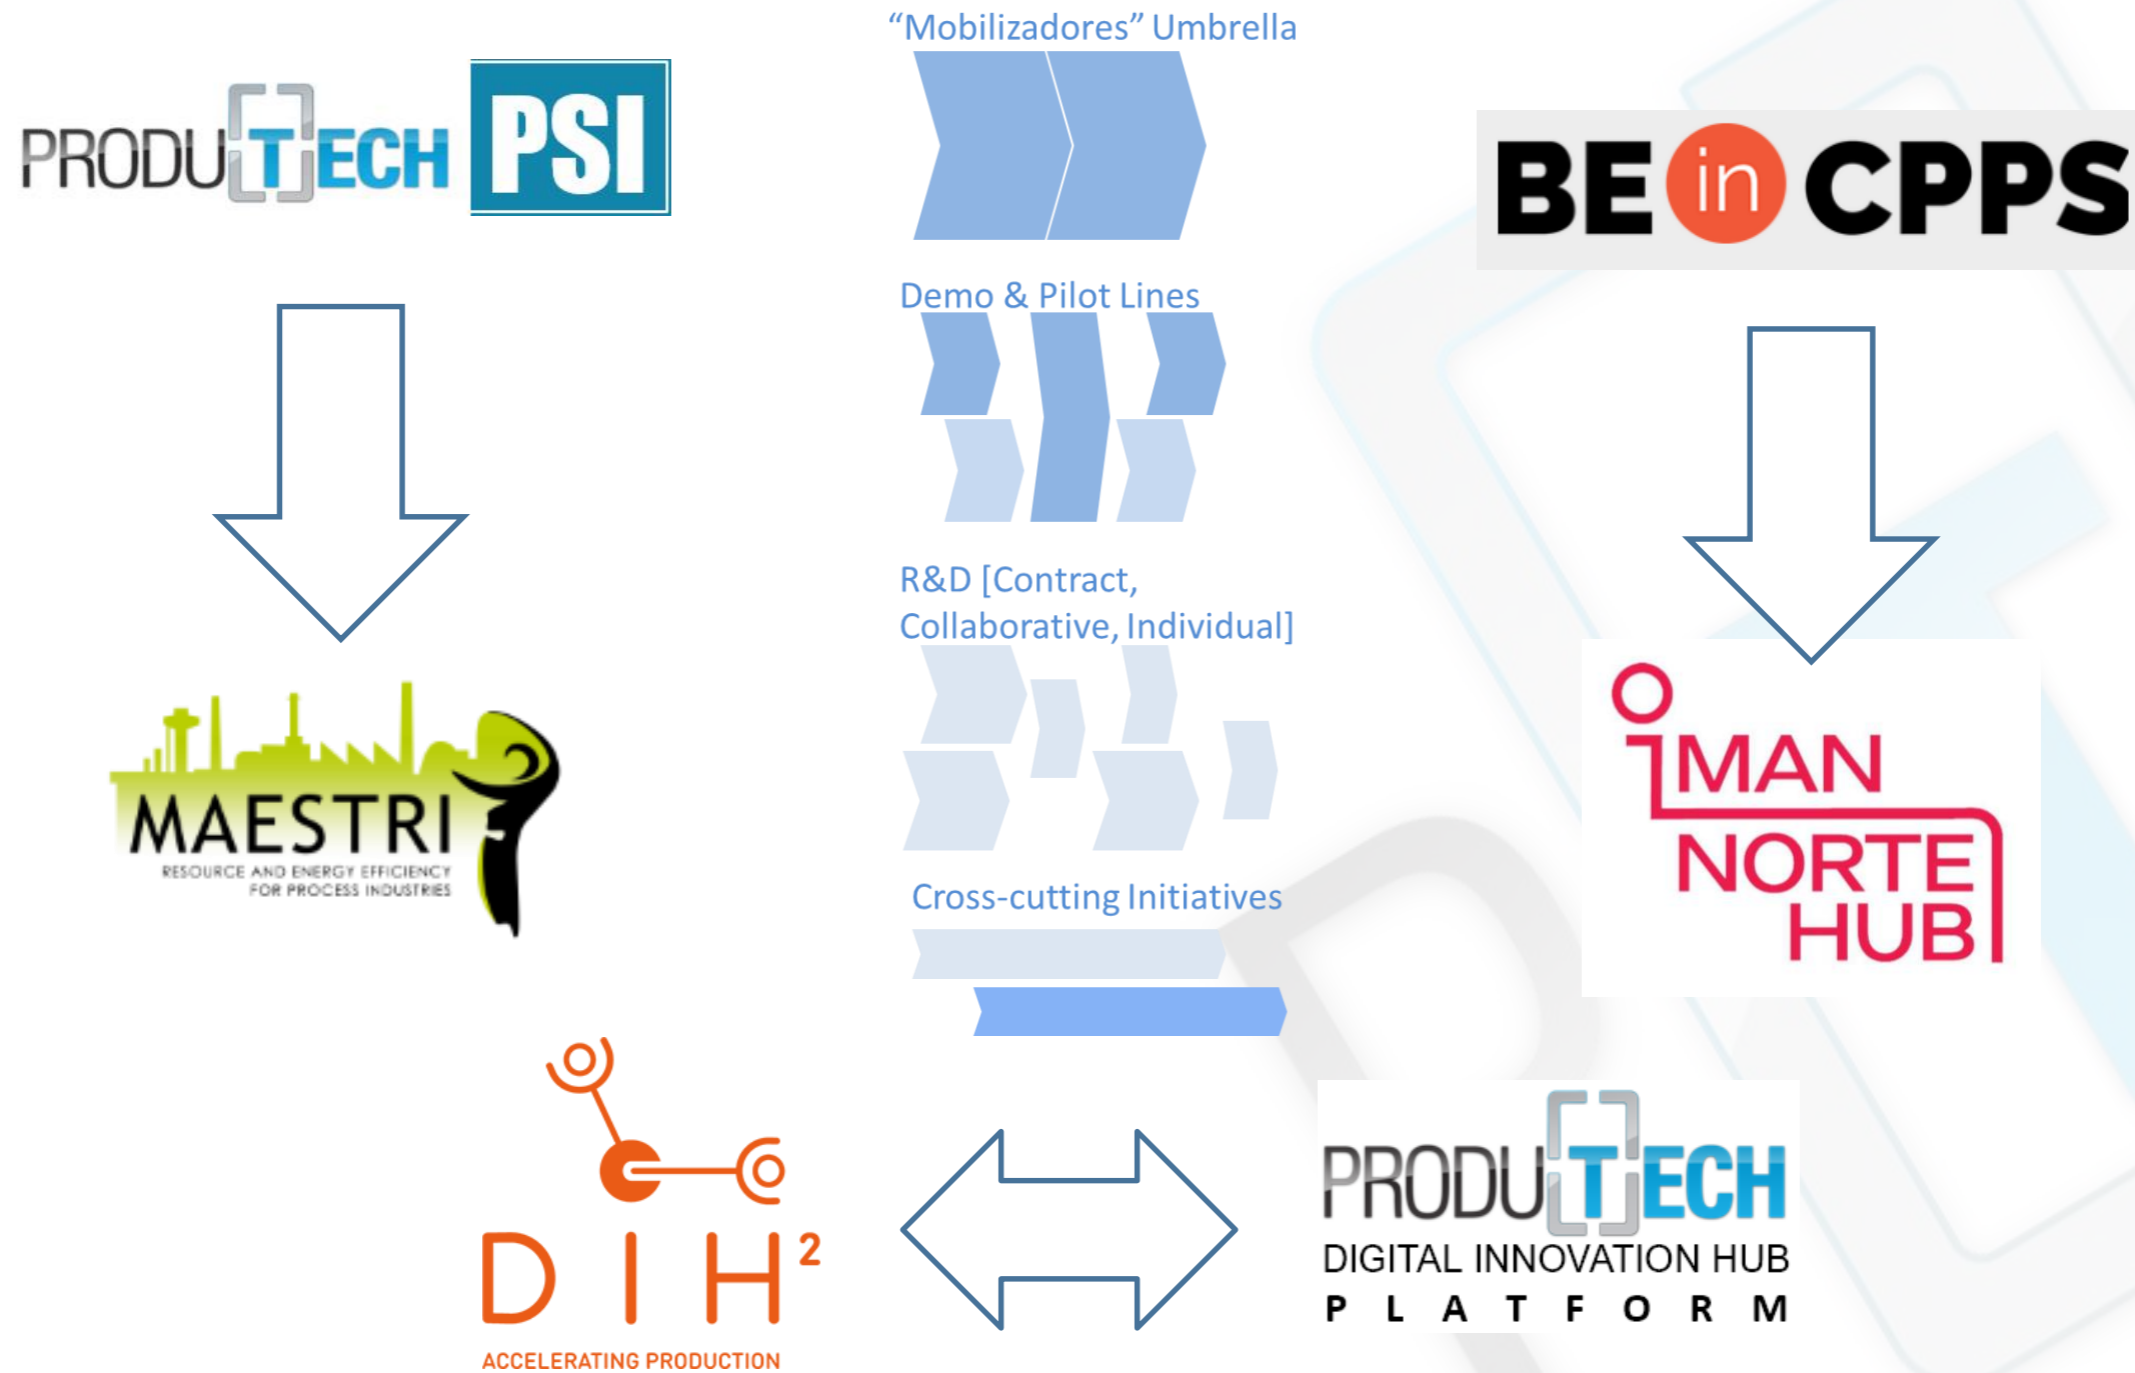

Priority Axis:

- Axis 1. Enabling technologies and applications
- Axis 2. Industries and production technologies
 - > Production technologies and product industries (discrete)
 - > Production technologies and process industries (continuous)
- Axis 3. Mobility, space and logistics
- Axis 4. Natural resources and environment
- Axis 5. Health, well being and territory

SYNERGIES WITH PPPs

Examples of Synergies Between Projects and Initiatives

The challenges of the 21st century require a strategic, coordinated and innovative response.
