

# **COST Targeted Network TN1302 BESTPRAC**

**Edwin Kanters**

**VU Amsterdam / Amsterdam UMC**

## New core group

Who is who

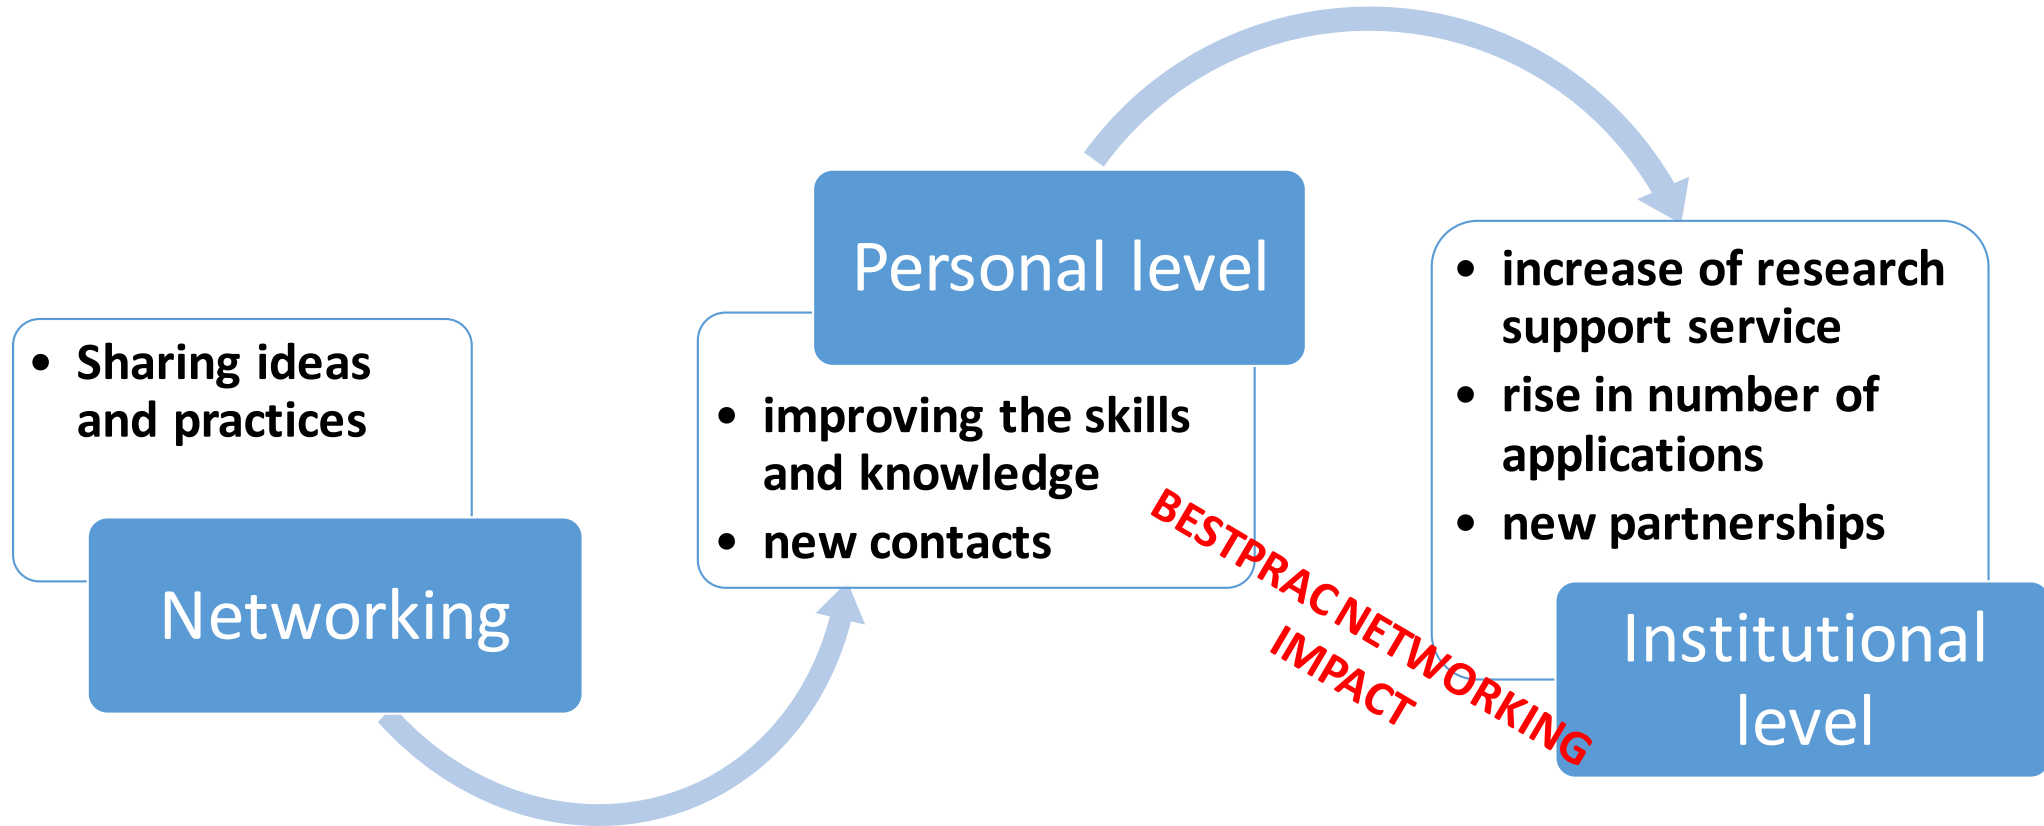

**What is Bestprac:** Network of administrative, finance and legal services involved in the lifecycle of European funded projects to exchange experiences and share and develop best practices, encourage knowledge sharing, knowledge transfer and increased efficiency.

**What do we do:** creation of guides and learning material, knowledge transfer, personal development.

- **This leads to** → friends, skills, efficiency, communication, results, sharing, benefits, structure, leadership.

**Being part of BESTPRAC network: opportunity to share experiences and practices, to learn from each others' experiences and to further empower ourselves as research administrators. = CAPACITY**

# BESTPRAC key messages

## For Europe

- Excellent research requires top research support

## policy makers

- Research support networks enable capacity building which strengthens European R&I cohesion

## For funders

- Professional research support increases value for money in the ERA
