3RD FORUM OF THE EU STRATEGY FOR THE ADRIATIC CATANIA 24-25 MAY 2018 AND IONIAN REGION

OUR REGION OUR FUTURE

Towards a Waterborne Adriatic Ionian Technology Platform

To increase the competitiveness of the Adriatic Ionian maritime sectors by enhancing its innovativeness and networking attitude, through:

- 01 the enhancement of local aggregation of stakeholders in clusters
- 02 the development of a KIC (knowledge innovation community)
- 03 to set up a cluster-of-clusters (like the EU technology platforms) to be the frame to share visions, to implement common programmes and to better participate to broader initiative
