[http://ec.europa.eu/internal\\_market/maps/ccab\\_en.htm](http://ec.europa.eu/internal_market/maps/ccab_en.htm)

#### **Objective of the meeting:**

As a continuation of the last coordination-working meeting held in Brussels on the 22<sup>nd</sup> of November 2017, a new coordination meeting of the [Sustainable Buildings Partnership](#) is foreseen on the next 24<sup>th</sup> of January 2018 in Brussels, with the aim of presenting the main results of the actions carried out and the future actions foreseen for 2018.

The meeting will conclude with a specific session dedicated to the first Pilot Project set up concerning Smart Energy Management in University Campuses of the partnership. (Please see [http://europa.eu/rapid/press-release\\_IP-17-5108\\_en.htm](http://europa.eu/rapid/press-release_IP-17-5108_en.htm)).

#### **Proposed Agenda:**

- 14.00-14.15 Welcome and objective of the meeting (JRC, EU Commission).
- 14.15-14.30 **Session I.** Summary of Status of the Partnership on Sustainable Buildings (AAE)
- 14.30-14.45 **Session II.** Results of the Innovation Map survey (AAE and IDEA consulting).
- 14.45-15.15 **Session II.** New ideas for a better governance of the Partnership. Next steps and agreements (Partners, AAE, and IDEA consulting)
- 15.15-15.45 **Session III.** New partners and ideas for pilot projects (AAE and partners)
- 15.45-17.15 **Session IV.** Planning the implementation of Pilot Project on Smart Energy Campus. After the first meeting in November 2017, in this meeting the interregional collaboration actions to be developed in the framework of the project will be specified.

#### **Roundtable with active participation of the attendants on the following topics**

- What are the challenges that your region is still facing in this project?
- Define the opportunities for cross-regional collaboration:
  - What are the assets/strengths of your region that can be useful for other regions?

Partnership of  
European Regions  
SUSTAINABLE  
BUILDINGS

- In your view, what would be the added value of cross regional collaborations in this area?
- What do you concretely expect from this cross regional collaboration (uptake of new technical/technological solutions already developed elsewhere, co-development of new solutions in a particular area, etc.)?

17.15-17.30 Questions and Answers.

**Participants:**

European Commission, JRC Joint Research Centre's experts,  
Leadership for the Sustainable Buildings Partnership: Andalusian Energy Agency (AAE),  
Co-leaders and Topic Leaders of the Partnership, as well as members of the Partnership.
