Slovenian Smart Specialisation Strategy

Vision

S4

Energy

What are we targetting?

1. **VA / Employee** → targets set for each priority area.
2. **Share of high-tech intensive products in total EXPORT:**
from 22.3% to EU-15 average of 26.5%
3. **Share of knowledge-intensive services in total EXPORT:**
from 21.4% to 33%
4. **Overall entrepreneurial activity:**
from the current 11% to at least the EU average of 12.8%

SI Ambition – from a follower to co-creator of global trends in niche areas

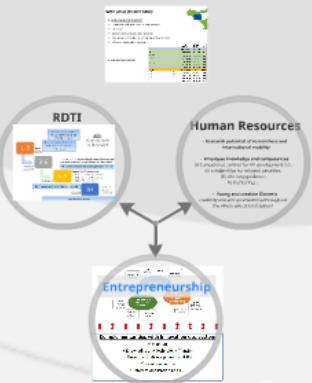

S4 Principles

CONSISTENCY

[S4 Policy Mix]

[... institutions ...]

S4 Principles

Consistency

- Through Technology Readiness Levels
- Through time
- Through project sizes

**Strategic
ambitious
long-term
approach**

**Comprehensive
integrated support**

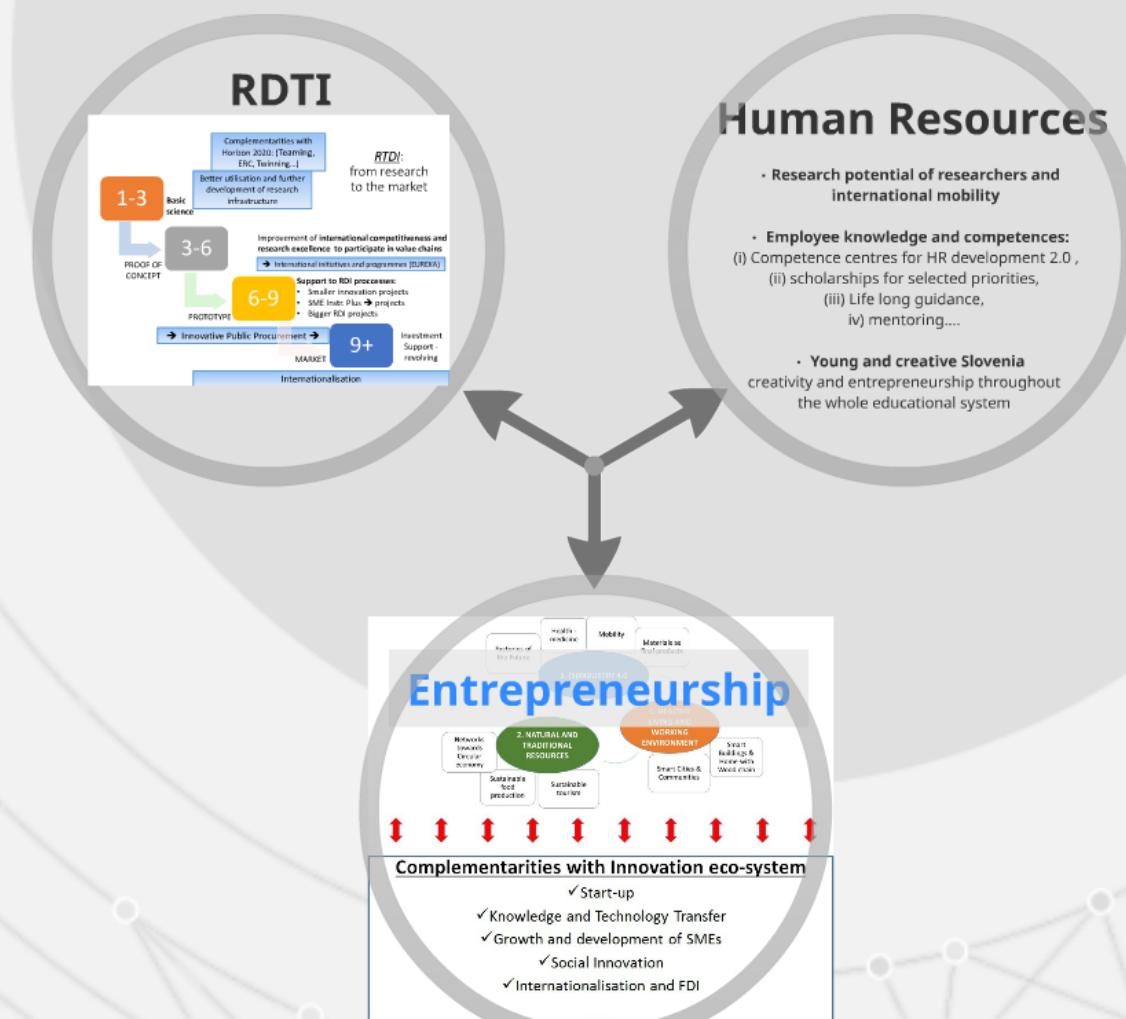

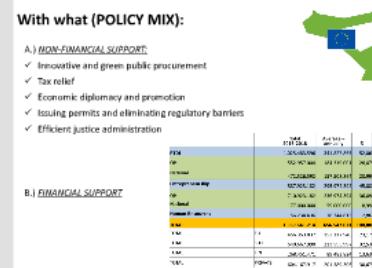

**Existing &
Emerging
Industries
+
Convergence of
technologies**

**Complementa-
rities**

**Tailored
response**
