

AGENDA FOR THE 16TH OF MAY WORKSHOP 09.00–16.00

THE NORDIC MODEL - RELEVANT FOR EUROPE?

WHEN, HOW AND WHY..

Thursday 16.5, 9–16, University of Vaasa: Auditorium Kurten (C203, Tervahovi)

The Nordic Model can best be understood as a Civil Society where Values such as Knowledge, Transparency, Democracy and Participative Decision Making are crucial in solving a Core Question: how can we provide a Good Life for all Citizens, and Knowledge based Economic Development – also in tough economic times? The Model builds on the understanding that Welfare and Knowledge Policies and Institutions are crucial to Economic Competitiveness, Productivity and Innovation.

Morning Session – Concepts, Strategies and Prospects for Growth

Chair Professor Seija Virkkala

- **What is the Nordic Model (09.00–09.30)**
