Bilateral thematic sessions between the S3 Partnerships and the EC services will follow the Steering Committee meeting on 2 July and 5 July. On 6 July a workshop on S3 for Blue Economy will take place.

Objectives of the bilateral sessions on 2 July and 5 July:

- *Bringing together the partnerships of the same platform*
- *Promoting cross fertilization between partnerships*
- *Providing updates on the progress of S3 partnerships and plans for the future*
- *Have a bilateral discussions between the EC services and the S3 partnerships*
- *Raise awareness on S3 partnership among EU clusters in order to enhance cooperation*

TSSPs Team: REGIO-SMART-GROWTH@ec.europa.eu;

REGIO Experts: Cecilia Gañán de Molina ceciliaganan@gmail.com; Luigi Amati luigi.amati@meta-group.com

Link for registration:

09h.00- 10h.00- GROUP A:

1. Advanced manufacturing for energy applications
2. Efficient and Sustainable manufacturing
3. SME integration in Industry 4.0
4. 3D printing

5. Batteries
6. Hydrogen
7. Mining
8. Mobility

10h.00-11h.00 GROUP B:

1. Artificial Intelligence
2. Cybersecurity
3. Go4Space
4. New nano-enable products
5. Photonics
6. Wireless ICT

11h.00-11h.15 Break

11h.15- 12h.00 GROUP C:

1. Cultural & creative ecosystems
2. Social economy
3. Sport and vitality
4. Digitalisation for Tourism

12h.00-12h.45 GROUP D:

1. Medical Technology
2. Personalized medicine
3. Textile

12h.45-13h.30. GROUP E:

1. Berry +
2. Bioeconomy
3. Chemicals
4. Cosmetics
5. Water

BILATERAL SESSION – ENERGY PLATFORM

Friday, 2 July 09h.30 – 13:30

Link for registration:

09h.30- 10h.30- GROUP A:

1. Bioenergy
2. Marine and Renewable
3. Geothermal

10h.30-10h.45 Break

10h.45- 11h.30 GROUP B:

1. Solar
2. Smart Buildings

Monday, 5 July – 09h.00 – 12h.00

BILATERAL SESSION – AGRIFOOD PLATFORM

Link for registration:

09h.30- 10h.30- GROUP A:

1. High Tech Farming
2. Traceability and Big Data

10h.30-10h.45 Break

10h.45- 11h.45 GROUP B:

1. Consumers' involvement
2. Nutritional ingredients
3. Smart sensors

Points to be addressed by the partnerships in their presentations (5-7`):

- Who is involved in the partnership and list of regions – contact persons in leading regions (ONE SLIDE - Map)
- Field of operation/ Domain of activity / Focus – Main activities and achievements in the last period (12-18 months...) ONE SLIDE.
- What is envisaged for the coming 6 months, both at partnership and at business case level. TWO SLIDES
- Main bottlenecks faced and envisaged in the development of pilot projects and business cases ONE SLIDE
- Would the contact with relevant-clusters from European Cluster Collaboration Platform be useful to reinforce the S3 partnership/ mobilize companies?
- Should European Cluster Collaboration Platform be interested to cooperate with S3 partnerships, would your partnership be interested in organizing a follow up meeting?

Tuesday, 6 July 9h.00- 12h.45

S3 STRATEGIES for the BLUE ECONOMY WORKSHOP

Objectives of the S3 for Blue Economy workshop:

- *Launching new S3 based approaches to promote interregional/international collaboration and innovative investments in the blue economy.*
- *Exploring the possibility to launch a new S3 Thematic Platform on Blue Economy*
- *Promoting cross-fertilization, valorizing the potential of existing S3 Partnerships relevant Blue Economy areas*
- *Supporting the development of S3 partnerships in the field of blue economy, in particular on marine renewable energies, coastal and maritime tourism, fishery and aquaculture and blue biotechnologies.*
- *Macro regional and sea basin dimension of S3 approach*
