Behind the S3P MRE Partnership

How did we get here?

Scotland, the Vanguard,
and the S3P

And what does our
experience tell us about
where to go next?

Behind the MRE Partnership

Partners working together through Vanguard Initiative since 2014

ADMA Pilot (13 Regions)

Advanced Manufacturing for Energy Related Applications in Harsh Environments

Four market areas

Offshore oil and gas

Unconventional oil and gas

Deep sea mining

Marine renewables

MRE S3P

Expanding the Vanguard Methodology

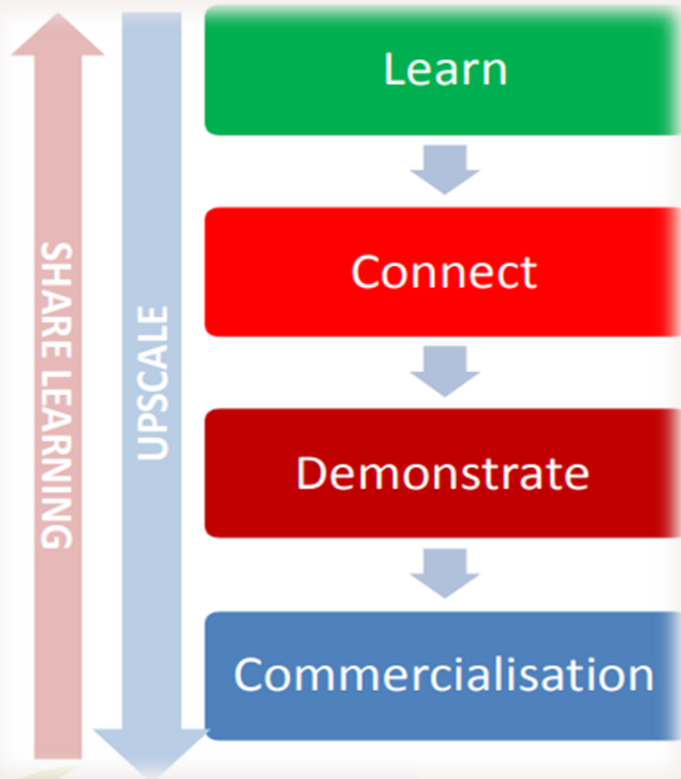

Learn

Connect

Demonstrate

Commercialise

Concept Note

Pan-regional scoping study

Database of companies/organisations

Engage with industry and stakeholders

Develop demonstration case proposals

Implement pilot proposals – e.g. NeSSIE

Open access to test & demo facilities

Opening up supply chains

Inter-regional industrial consortia

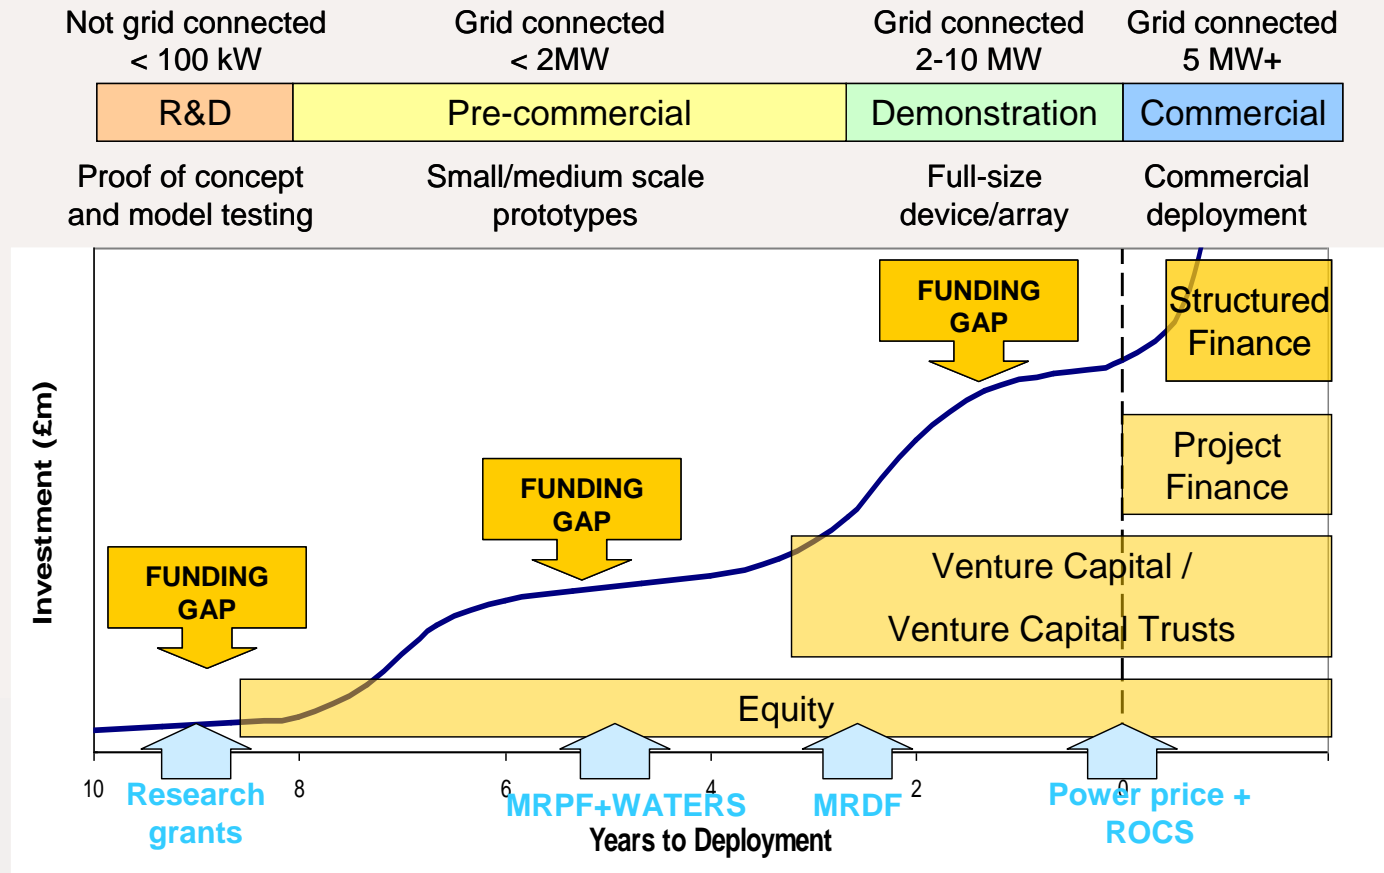

New investment approaches

Upscale successful demos

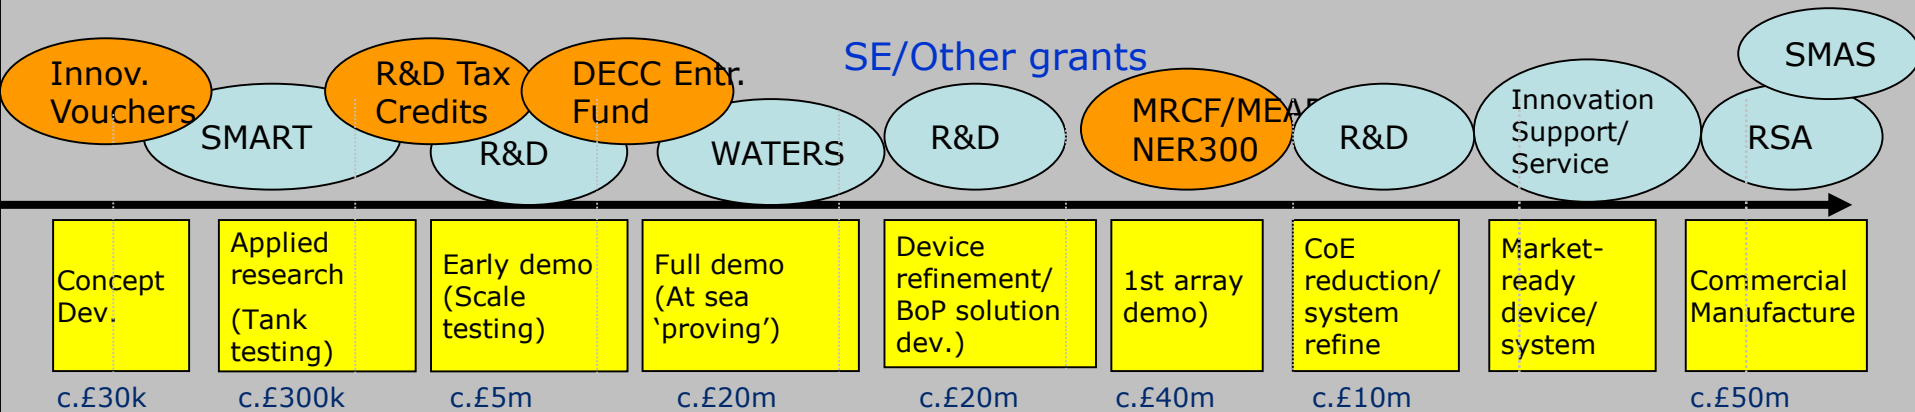

But remember...

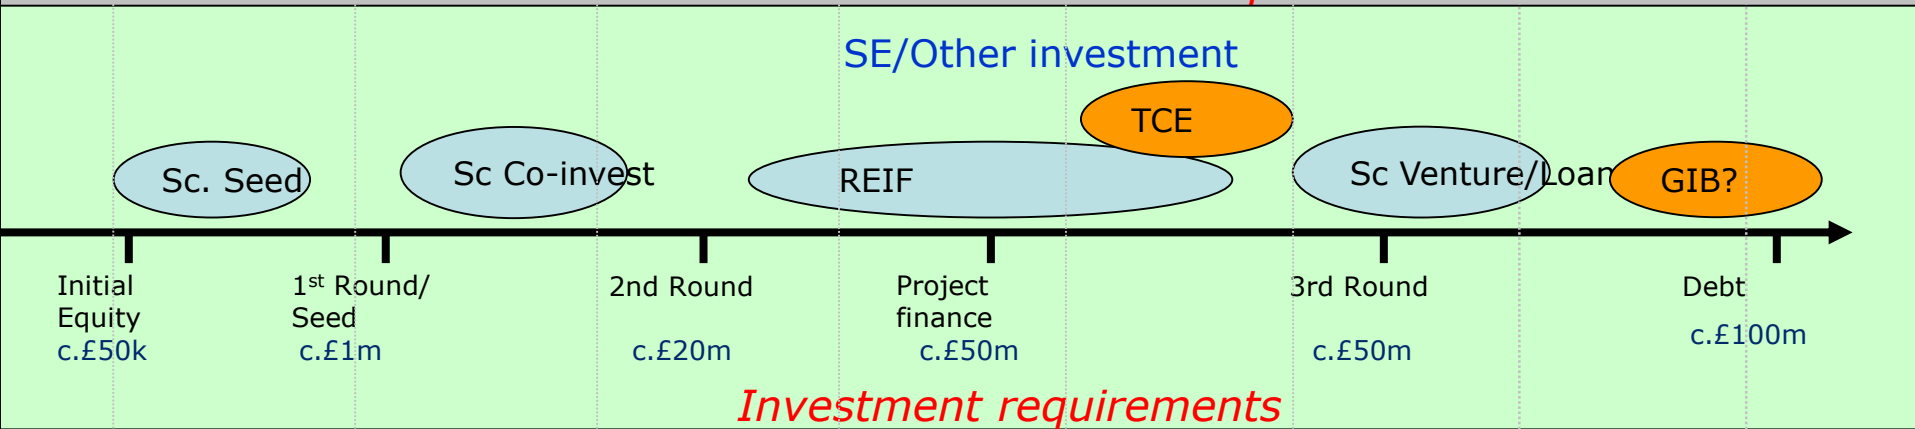

This can take time...

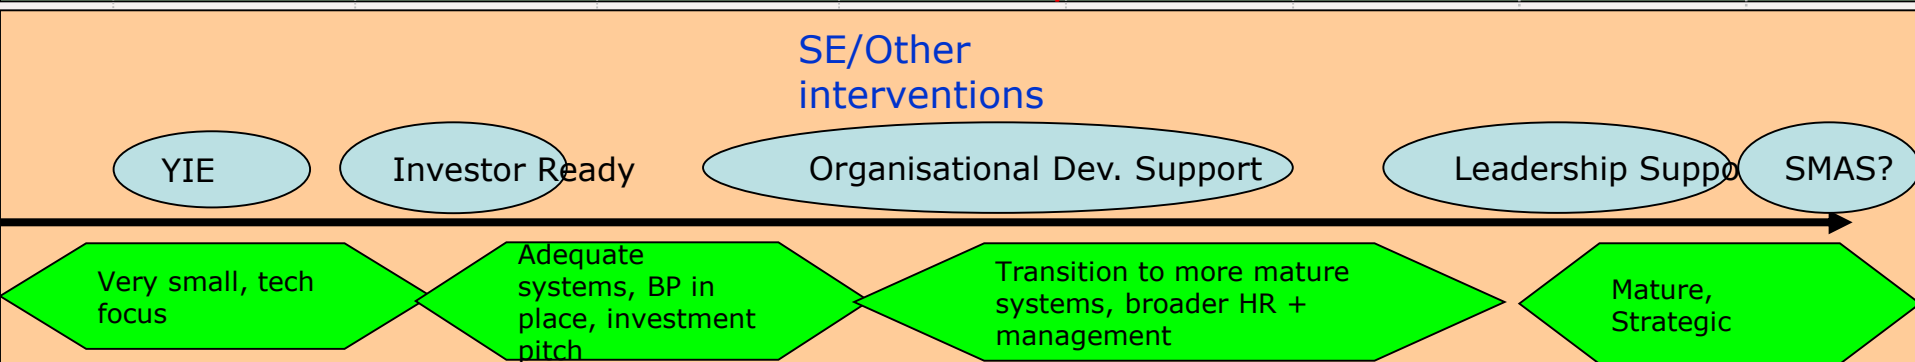

... this takes a lot of investment ...

Product to market development

Investment requirements

Organisational development

... and political commitment

Thank you!
