 - None

Future plans

- Please describe your future plans and a roadmap with regards to your specific topic – planned projects, financial instruments, legal/institutional changes, governance etc.

Working Towards the Long-Term Sustainability

Please give a brief answer (1-3 points) on ONE-TWO MAX of the following questions:

1. What kind of support do the existing partnerships need in order to secure their long-term sustainability after 2020?
 - Tailored made EU funding for cross-regional investments
 - Expert that offer technical advice on interoperability
 - Expert to develop relevant infrastructure in demo farms
 - Data and IPR experts with expertise at cross-regional level

Working Towards the Long-Term Sustainability

Please give a brief answer (1-3 points) on ONE-TWO MAX of the following questions:

1. What difficulties do the existing Agri-Food partnerships encounter when combining different funds and programmes to support their ongoing activities?
 1. Current programming is not designed to foster this kind of interregional collaboration (as article 70 is not used in practice)
2. What precludes these partnerships from benefitting from such opportunities?
 1. Relevant framework to foster interregional collaboration

Thank you!
