## I. Management report

---

### Please provide the executive summary of the objectives of your partnership

Our partnership is processing the the phase 1 "Mapping competences and matching business opportunities". The first kick of meeting was held in September in Brussels facilitated by Ecorys. In the meeting every region presented their contribution and interests for the partnership which was based on questionnaire made by Ecorys.

Ecorys is analysing the responds made by regions in order to get basic understanding of participating regions and their respective strengths in relations to the thematic priorities. The will also identify regional priorities and stakeholders relevant to to co -operation. The mapping paper should be finalised to the end of this year.

## **New activities**

Involvement of regions from EU13 Member States in the Partnership, in particular with respect to scoping, mapping and/or matchmaking. In addition, justification should be provided if no EU13 regions are involved

There is no involvement of EU 13 Members States at the moment. We are still looking for new partnerships including EU 13.

Involvement of regions/countries from outside of EU28 Countries. (Number of participants from non-EU countries (specify their contribution)

Not any

Advancement and promotion of the Partnership through publications and other communication/outreach activities (number of outreach activities that resulted from the partnership)

Not any yet

Activities and projects with partnerships working under other S3 Thematic Platforms (AgriFood, Energy and Industrial Modernisation)

We'll share a lot of common interests with Advanced materials for batteries S3P. Next AMB workshop will be held in the end of January in Outokumpu. Mining S3P representatives will be participating the workshop as well.

## **Your Partnership and the UN 2030 Sustainable Development Goals (SDGs)**

The EU has a strong position when it comes to sustainable development and is also fully committed to be a

frontrunner in implementing the UN's 2030 Agenda, together with its member countries and regions. Many interregional partnerships under the thematic S3 Platforms contribute strongly to the attainment of these 17 goals.
